

Nut and Food Allergy Waiver

Please be aware that at Welland Public Library we use food in some of our programs, both as snacks and as craft supplies.

The form below must be filled out before your children can participate in a program involving food, even if they have no known allergens or will not be eating as part of the program.

I hereby acknowledge that I am aware that Welland Public Library cannot guarantee a completely allergen free atmosphere in this program and have chosen to allow my child(ren) to participate fully or partially despite this.

Child's Name: _____

Guardian's Name: _____

Phone Number: _____ Date: _____
